Transportation for Summer School		1 of 1
Transportation - General		Date June 2008
		Revised June 29, 2010
Policy	The Sudbury Student Services Consortium may provide transportation services for summer school programs as required.	
Operational Procedure	The School Boards will decide whether transportation will be provided. The School Boards will determine what type of transportation the students will be provided. This process will be in accordance with the Sudbury Student Services Consortium's Purchasing Policy.
