School Bus Patroller		1 of 1
Transportation - Safety		Date Revised August 16, 2010
Policy	The Sudbury Student Services Consortium may provide school bus patrollers to assist with safety on a school bus.	
Operational Procedure	<p>The school principal, in consultation with the school bus driver will recommend students for participation in the School Bus Patroller Program.</p> <p>School Bus Patrollers must complete a School Bus Patroller Application Form signed by a parent/guardian and the school principal. These will be kept on file at the school.</p> <p>The Sudbury Student Services Consortium will train students to perform the duties of school bus patrollers to assist with safety on school buses.</p> <p>Yearly training courses will be offered in October to all bus patrollers. The primary duties of the patroller are:</p> <ul style="list-style-type: none">a) to assist younger children on and off the school bus;b) to assist children and the driver in emergency and evacuation situations; andc) to foster qualities of leadership and good citizenship.
